Sat Nam Dear 3HO Family,

Recently there have been communications from a person claiming to be a new Mahan Tantric in the legacy of Raj Yoga and Yogi Bhajan. She is currently sending emails and using social media stating she is the next Mahan Tantric. This person is not sanctioned by, nor acting under the authority of White Tantric Yoga®.

Yogi Bhajan left us with a system to continue doing White Tantric Yoga® via video. He vested the authority to identify and acknowledge the next Mahan Tantric to [Humanology and Health Science, Inc.](#) No one to date has met the profile requirements.

If there are any new developments in White Tantric Yoga®, you will hear these directly from White Tantric Yoga®, with follow up communications from 3HO, KRI, IKYTA and/or SDI. Any other statements regarding White Tantric Yoga® through the legacy of Yogi Bhajan are false.

We do not stand behind any White Tantric Yoga® program that is not run through Humanology and Health Science, Inc., the non-profit White Tantric Yoga® organization left by Yogi Bhajan. Participation in such a program would not meet the requirement for the KRI Level One Aquarian Teacher Training Program in Kundalini Yoga as taught by Yogi Bhajan®.

You can find the current White Tantric Yoga® schedule at www.whitetantricyoga.com. If you have any questions please contact the program nearest you.

Thank you.
