

## **How Photo Identification Can Benefit Solstice Sadhana Events**

- 1.) Security staff can tell at a glance who does and does not belong on site.
- 2.) Security staff can question and/or report unauthorized persons.
- 3.) Security staff can track attendee movements, the badge can be used to track attendance at events, determine where attendees are in the event of a fire or other problem especially in the case children attendees.
- 4.) Security staff can provide important information for medical emergency personnel in the event of fire, accident, evacuation, etc.
- 5.) Security staff can access emergency contact numbers from a dual-sided ID badge, which provides more data space, especially for incidents that involve children.
